IZZY'S Van Delivers

We like to think we're a little like Santa Claus. We travel around to locations all over the Twin Cities making people happy with our festive treats. Our version of a sleigh is our newly adorned Izzy's van, outfitted to make deliveries and support our catering commitments.

We love catering events and special occasions, but the groups have to be fairly large. Though we've served more than 1,800 people at one gathering, a more typical event has about 200 guests. We serve indoors or outdoors, and we don't need water or electricity. We've mastered the art of keeping our ice cream from melting, and we can easily adapt to almost any setting in any season.

So if an ice cream social with your favorite ice creams, whipped cream, and homemade raspberry, hot fudge, and caramel sauces sounds enticing, give us a call. Ice cream isn't just for summer time—this is Minnesota.
